Hi Matt,

As Ryan also mentioned, I spoke to the clerk today regarding a settlement conference with Judge Crawford. I told the court that I would confer with you to see if MWG is willing to participate in a settlement conference and then get back to them by Monday.

The clerk also informed me that the Judge's calendar has cleared significantly for the month of October and that the Judge will be taking a leave starting early November so we should get this scheduled right away. Please let me know if MWG is willing to participate in a settlement conference and, if so, what dates would work best.

Thank you,

Naomi

Hi Matt,

Thank you for your reply. The week of the 29th and 30th would be better for us. I will reach out to the court to see what dates the court has available and confer with you.

Since we are setting up a settlement conference, would MWG stipulate to a 30 day extension on the deposition deadline? This would save both parties time and money if we can successfully settle at the conference. Adlife is planning on filing a motion to extend the deadline in the next day or two, but in the interest of efficiency would like to file a stipulated motion if MWG agrees.

Thank you,
Naomi

Hi Naomi,

My apologies for the delay in getting back to you. And thanks for coordinating with the Court.

Concerning Adlife's request, MWG does not consent to a further extension.

Regards,

Matt
